Thursday	No Official shoot	
Friday	17:45/19:30	18:00/19:45
Saturday	No Official shoot	
Sunday	13:30	13:45

All persons present are to assist with setting up

It is appreciated that where there has been an early shoot Indoors, setting up for the late shoot will not be necessary. Archers should exercise restraint and not harry those shooting first session to complete before the allotted time. As a courtesy to those shooting, excessive noise should also be curtailed.

It should further be noted that these times take precedence over anybody shooting under 'Freedom of the Field', and that such individuals should assist with setting up the field for the general shoot.

The Committee
